# Key details of your care. All in one place.

The Care Information Exchange gives you secure online access to your hospital health records.

- **View** your blood test results
- **Read** your X-ray and scan reports
- **Find** your letters, discharge summaries, and appointments

**You can add** information such as symptoms and fill in questionnaires.

**You can share** your health records with your family and carers if you want to.

The Care Information Exchange is powered by  
**Patients Know Best.**

## How do I sign up?

Adults, children, and young people can sign up on the Care Information Exchange website  
[www.careinformationexchange-nwl.nhs.uk](http://www.careinformationexchange-nwl.nhs.uk)

Adults can also sign up on the NHS app.
